Disclaimer/Non-GAAP Information

IMPORTANT NOTICE

The following slides are part of a presentation by Darden Restaurants, Inc. (the "Company") and are intended to be viewed as part of that presentation (the "Presentation"). No representation is made that the Presentation is complete.

Forward-looking statements in this communication regarding our expected earnings performance and all other statements that are not historical facts, including without limitation statements concerning our future economic performance, are made under the Safe Harbor provisions of the Private Securities Litigation Reform Act of 1995. Any forward-looking statements speak only as of the date on which such statements are first made, and we undertake no obligation to update such statements to reflect events or circumstances arising after such date. We wish to caution investors not to place undue reliance on any such forward-looking statements. By their nature, forward-looking statements involve risks and uncertainties that could cause actual results to materially differ from those anticipated in the statements. The most significant of these uncertainties are described in Darden's Form 10-K, Form 10-Q and Form 8-K reports. These risks and uncertainties include technology failures including failure to maintain a secure cyber network, food safety and food-borne illness concerns, the inability to hire, train, reward and retain restaurant team members, a failure to develop and recruit effective leaders, risks relating to public policy changes and federal, state and local regulation of our business, litigation, unfavorable publicity, an inability or failure to manage the accelerated impact of social media, the inability to cancel long-term, non-cancelable leases, labor and insurance costs, failure to execute a business continuity plan following a disaster, health concerns including food-related pandemics or virus outbreaks, intense competition, changing consumer preferences, failure to drive profitable sales growth, a lack of availability of suitable locations for new restaurants, higher-than-anticipated costs to open, close, relocate or remodel restaurants, a failure to execute innovative marketing tactics, a failure to address cost pressures, shortages or interruptions in the delivery of food and other products and services, adverse weather conditions and natural disasters, volatility in the market value of derivatives, economic factors specific to the restaurant industry and general macroeconomic factors including unemployment, energy prices and interest rates, disruptions in the financial and credit markets, risks of doing business with franchisees and licensees, risks of doing business with business partners and vendors in foreign markets, failure to protect our intellectual property, impairment in the carrying value of our goodwill or other intangible assets, changes in tax laws or treaties, failure of our internal controls over financial reporting and other factors and uncertainties discussed from time to time in reports filed by Darden with the Securities and Exchange Commission.

The information in this communication includes financial information determined by methods other than in accordance with accounting principles generally accepted in the United States of America ("GAAP"), such as adjusted diluted net earnings per share from continuing operations. The Company's management uses these non-GAAP measures in its analysis of the Company's performance. The Company believes that the presentation of certain non-GAAP measures provides useful supplemental information that is essential to a proper understanding of the operating results of the Company's businesses. These non-GAAP disclosures should not be viewed as a substitute for operating results determined in accordance with GAAP, nor are they necessarily comparable to non-GAAP performance measures that may be presented by other companies. Reconciliations of these non-GAAP measures to the most comparable GAAP measures are included under "Additional Information" in this presentation.

(1) Fiscal 2019 fourth quarter non-cash asset impairment charges relate to four underperforming restaurants whose projected cash flows are not sufficient to cover their respective carrying values. These are relatively newer locations we intend to continue to operate and focus on improving their results of operations.
